Why do we wait till a person's gone
Before we tell her worth?
Why do we wait, why not tell her now
She's the finest girl on earth?
Why do we wait till a person's gone
To send her flowers galore,
When a single rose would have meant so much
If we'd taken it to her door?
Why do we wait till she cannot hear
The good things that we might say?
Why put it off, why not tell her now
And share in her joy today?
Of course we're busy, that's our excuse,
But why, oh why, do we wait
To tell a person our love for her
Until it becomes too late?

Student Body

Way over yonder is a place that I know
Where I can find shelter from hunger and cold
And the sweet tasting good life is easily found
Way over yonder--that's where I'm bound

I know when I get there, the first thing I'll see
Is the sun shining golden--shining right down on me
Then trouble's gonna lose me--worry leave me behind
And I'll stand up proudly in true peace of mind

Way over yonder is a place I have seen
In a garden of wisdom from some long ago dream

Maybe tomorrow I'll find my way
To the land where the honey runs in rivers each day
And the sweet tasting good life is so easily found
Way over yonder--that's where I'm bound
Way over yonder--that's where I'm bound

Mr. Young braves the new drivers.

Is history funny, Kirstin?

Learning of our past heritage and traditions to understand and make decisions about our future . . . writing term papers . . . learning presidents . . . singing Dixie . . . watching films . . . keeping up on current events . . . learning about income tax . . . filling out forms . . . holding a mock election . . . debating issues . . . practicing democracy . . . studying cars . . . learning laws . . . parallel parking . . . waiting to hear, "I have a driver's certificate for . . ."

The Debate Committee: D. Saylor, K. Fulk, J. Dotson, G. Laukhuf, D. Elick, ROW 2: R. Bachellor, D. King, M. Holtsberry, B. Carter, L. Linder, M. Benschneider.

I know the answer.

Health And Phys.

Mr. Welch gives Ms. Crossland a bath in spaghetti

Miss Sue Crossland checks her grades

I can jump higher
BELOW: Brenda & Bill square dance

Don't let it touch the ground!

BELOW: I can touch the sky!

Ed. Help Our Bodies Grow

Mr. Al Welch, the boys gym teacher

"Quit pushing Mr. Welch!"

"You're next!"

The guys play with invisible balls

LEFT: Isn't health educating?

Phys Ed and Health . . . Miss Crossland leading the girls . . . Mr. Welch leading the boys . . . cheating on your laps . . . volleyball, basketball, gymnastics, track, softball . . . the Marine Physical Fitness test . . . learning all about how the human body functions and how to take care of it . . . taking time out of classes to go bowling . . . a good way to get your exercise!

First Year At Vantage Proves

I'll show you the correct way to do it.

Ooh, my hands are gooey!
You hold, I'll sand.

Yes, master, the pizza is ready.

Terry and Patti study hard.

Mark, Mike, Dave, and Kent, in Ag. Mechanics

To Be Successful

A day in Jr. steno.

Steve and Mark watch Bud do his thing.

Angie combs Joan's hair in cosmetology.
Cindy, you can't sleep and type at the same time.

Deb and Sonya run the offset.
Jo Ellen enjoys class at Vantage.

I think I need a shave.

A place to learn a trade .
. . . doing while learning .
. . . a beautiful new
building . . . traveling
another 14 miles to school
. . . a new experience.

Terry shows her stuff.

Ed shows his spirit for WT.

Chris enjoys Vantage library.

Julie types in Jr. steno.

Tim relaxes in the library.

Margaret helps with kids.

Chuck smiles at fixing lunch.

;Me gustan los tacos mucho!

I always get the dirty jobs!

And it was that Big!

Mr. Saylor shows his latest version of the twist.

What flavor is it Dave,
chocolate or vanilla?

Whatcha' thinking', Gary?

Mrs. Lambright, you've grown short.

Teachers enjoy their favorite pasttime.

Lullaby and good night!

A night of memories

I like my job so well, I even do it after work.

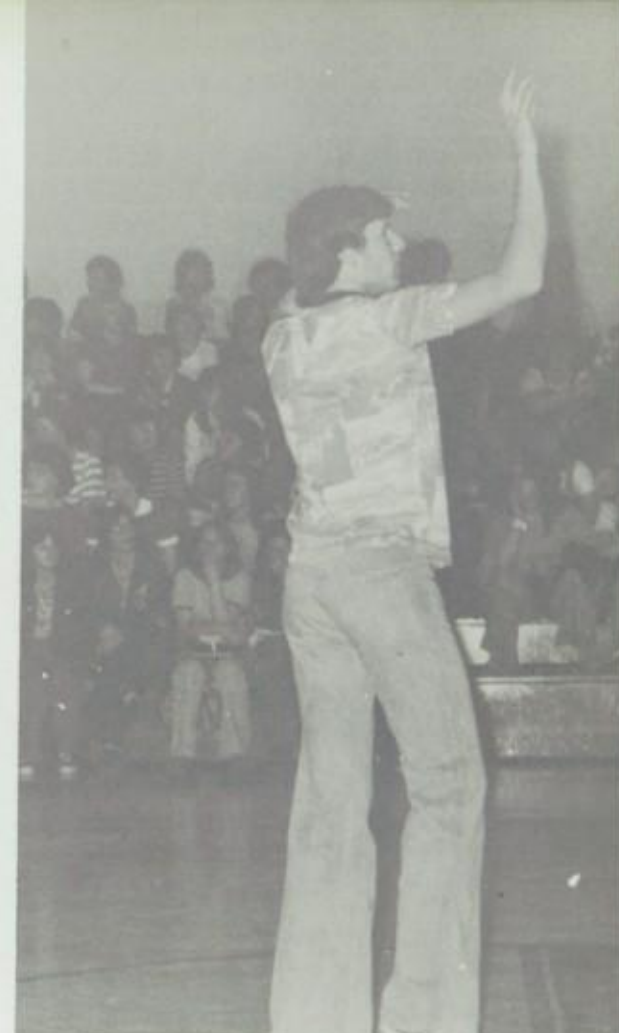

A typical noon at WT

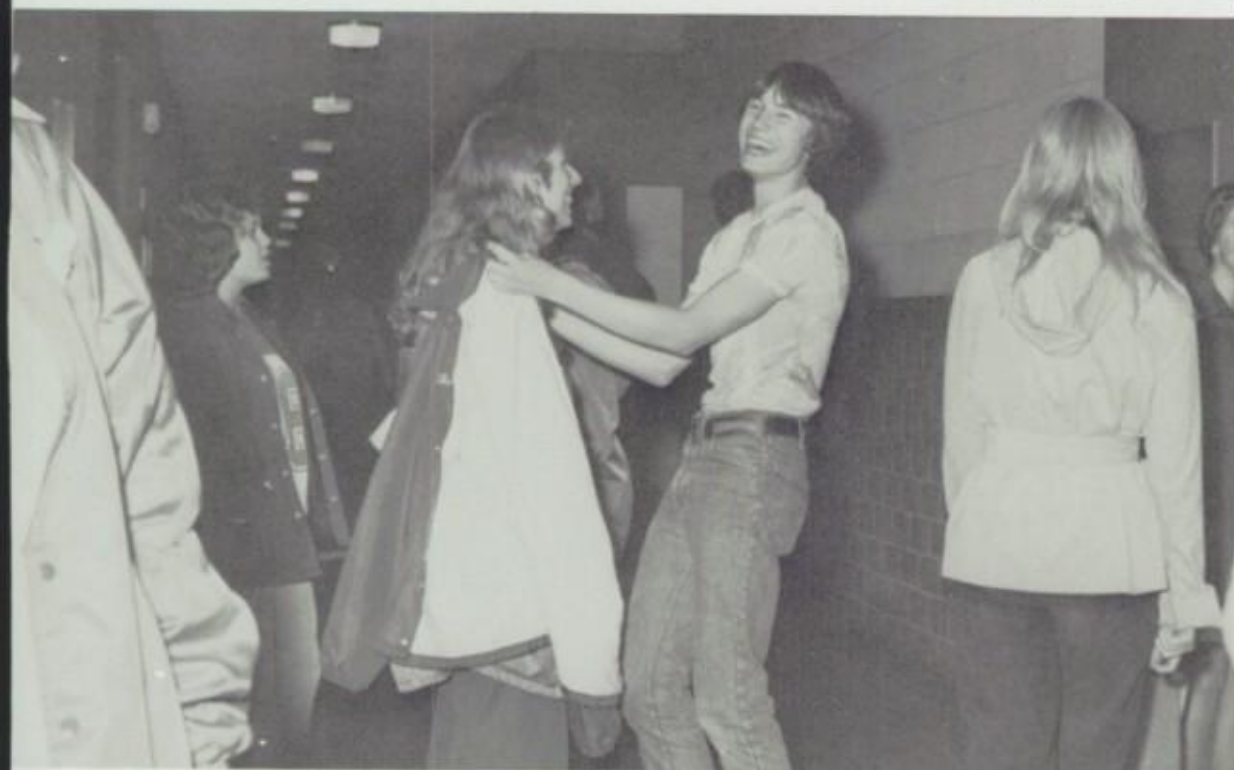

Don't snap it yet, my nose itches.

I'm ready for you today.

Up, up and away.

What are you doing to her!?

We weren't doing anything, honest!

Look out, Barb, so I don't stick you.

I didn't know I wrote such good articles.

Come here ball, I'm ready for ya.

We're done now, let's push her off!

I'd like to take this opportunity to thank those who helped put this yearbook together. Thanks to Powell, Dick Stahl, our financial supporters and all other outside help for their contributions. A big thanks goes to the staff and especially my assistant editor, Deb Bolenbaugh, for their hard work and patience. An extra special thanks to Miss Warncke for all the extra time and work she put in. Good luck to next year's staff and I hope you find it as rewarding as I did!

Everybody's left and I'm left all alone!
